felizardo valencia

on january 23, 1929, felizardo valencia was born in agua prieta, mexico, a small town south of douglas. he went to josephinum high school in ohio where he had four years each of latin, german and greek. in 1949 he entered the university of arizona where he majored in latin and later spanish. before coming to rincon, he taught for one year at william s. hart high school in newhall, california. last summer mr. valencia was the recipient of a scholarship to the university of texas.

a rincon "veteran," mr. valencia became our american field service sponsor after attending a tea given by the local chapter. the foreign exchange program became important at rincon due to the interest expressed by the student body. through the selling of afs shares the club earned $600 toward our first exchange student, and by a generous donation, a second student was sponsored by rhs. thus we acquired our traditional two. Our 1962-1963 school year nearly saw the upset of this tradition when the raising of $1,500 made a third exchange student a possibility. however, due to the lack of available students, this dream did not become a reality. various money-projects have been sponsored by afs over the period of the school's existence. dances, a faculty vs. senior members of the varsity basketball game, "the history of the twist" and the selling of shares have enabled rhs to sponsor two exchange students each year.

the greatest tribute paid to our school was the placement of our four american field service candidates last year. these students were selected for their attitudes, aptitude and character. they were among the finest the nation had to offer.

we, of the 1962-1963 **rawhide** staff, gratefully dedicate this yearbook to our faculty, our exchange students, and the student body, but most especially to mr. valencia, our afs sponsor, who helped to make rincon known throughout the united states and the world for its superior level of education and its wonderful student body.

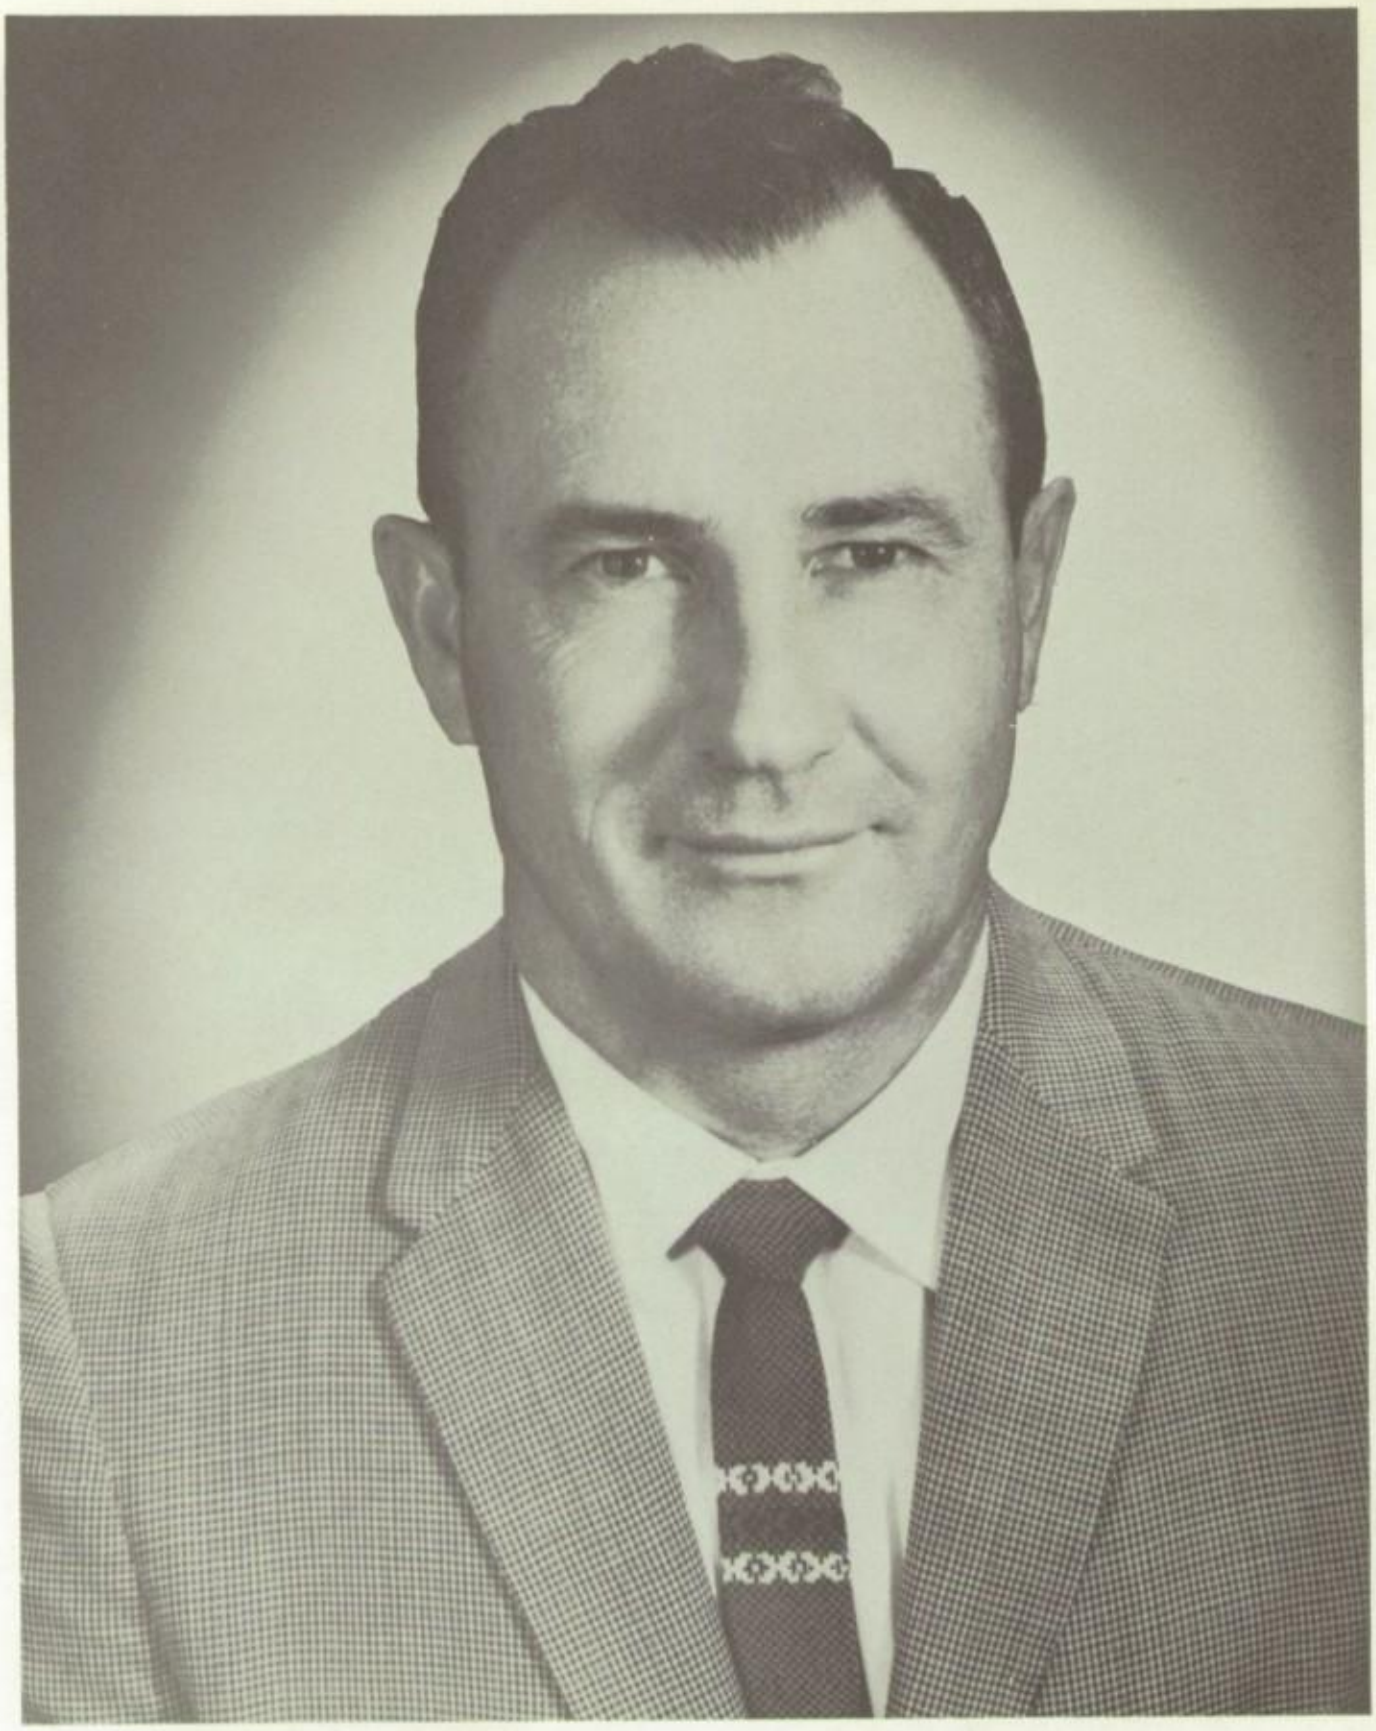
principal's message



the school year of 1962-1963 has been an important one for all of us at rincon high school.

our permanent boundaries have been defined by the school board and, for the first time in five years, all of our students are secure in the knowledge that they may remain and graduate from rincon. we are certain this has contributed to the fine cooperative effort displayed by our students through their loyalty and pride in their school. rincon continues to be recognized as one of the outstanding schools in the southwest, and you have contributed your share to this reputation for excellence.

this year, although we gave the new palo verde high school one thousand students and forty faculty members, we continue with so large an enrollment that extended sessions remain necessary. our senior class of over seven hundred is the largest we have ever had, and its members have brought a multitude of honors and awards to their school. it has been a pleasure to know and work with them, and their leadership and successes have been highly valued.

to you, the members of the class of '63, our congratulations for a job well done. we believe that, in view of the effort, enthusiasm and integrity you have shown here, you will go on to lives of satisfaction and worthiness. Our best wishes go with you as you leave rincon high school.

roller skates, marbles, pieces of wood, and electric trains. not scientific material you say? rhs science classes use these and other materials in their experiments. the science department offers four different classes (physics, chemistry, biology, and physical science) most of which are available at the honors, average and basic levels. college level chemistry and biology are also offered, and, at the end of these courses, the students may take a test for college credit. the biology students practice their trade in the greenhouse built last year, while the physics and chemistry students stick to their labs.

reading and writing — without arithmetic. the rhs english department strives to prepare students to speak and write their language effectively. the area of study ranges from the study of classical literature and modern works to grammar and writing techniques. During one semester of the junior year, students learn to write an extensive research paper. the other part of the year is spent on the analysis of literature and research on "what man will die for." in each of the english courses, the emphasis is on learning to express oneself clearly.

if you don't understand these formulas, the rincon math department can explain them to you. this department offers courses ranging from the basic principles of arithmetic to advanced college calculus. The math department uses visual aids, and, this year, they are using the university of arizona text to teach algebra iii and iv. the department is also conducting an experiment in which, instead of receiving the formulas from the teacher, the students derive the basic laws of mathematics by working problems.

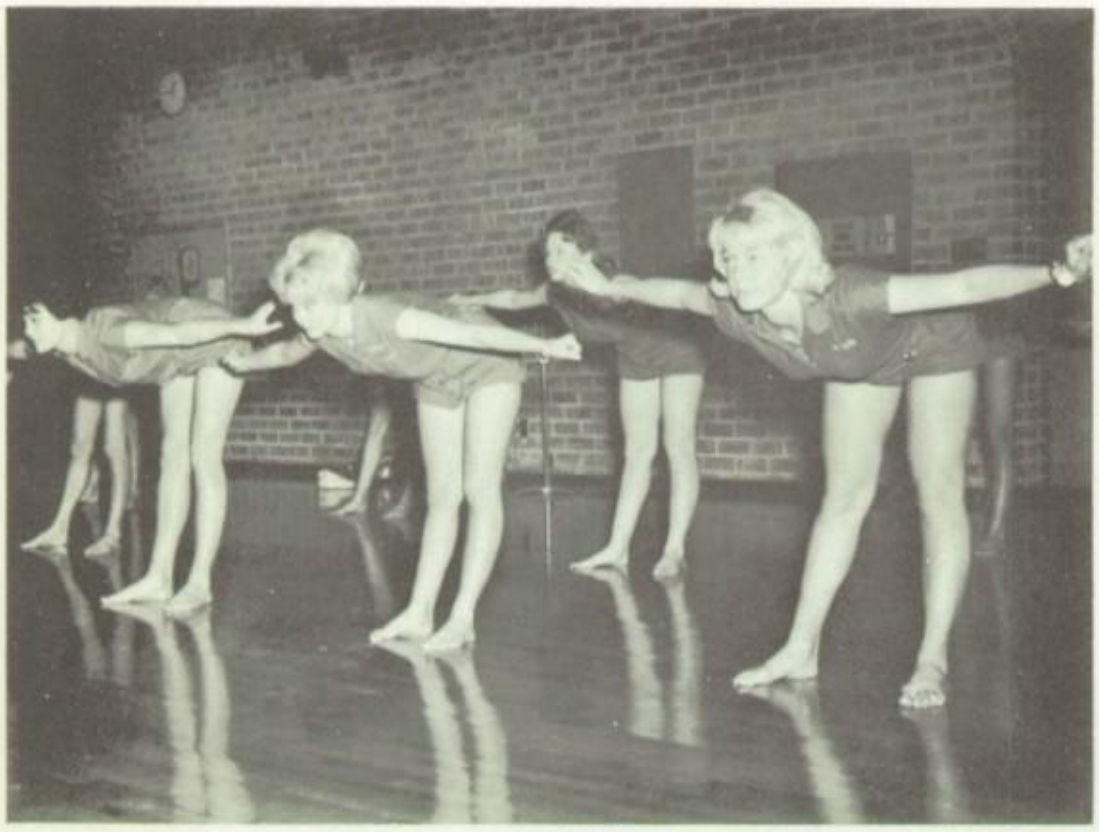
girls' physical education department



holcombe, june

chairman

the rhs girls' pe department is known throughout the city for using the "gradeless" grading system. in this system of evaluation, the girls are judged on skill, cooperation and attitude in relation to their classmates. reports are then sent home to the parents, and "credit" or "no credit" is given to the girls. however, there is no grade involved. instead of having just one activity for all the girls, the pe department offers the girls a choice of two or three activities every six weeks. the teachers of the department feel this is conducive to better participation and more enjoyment on the part of the girls.

led by rick lyons, the student body council achieved a favorable year. they began by sponsoring the first mixer of the school year and helped with the frosh elections. next, they planned pep assemblies and rewrote the school constitution.

a major project included organizing an inter-club council, which consisted of presidents of all school clubs. charity drives were also organized and carried out at different times during the year. under the supervision of mr. johnson, the council's successful year was climaxed by the sponsorship of rodeo week and a student government assembly.

president

pete godfrey

junior class

this year the junior class was led by pete godfrey. these rangers strove to maintain their school spirit. their advisor was mr. acosta. early in the year they sponsored a mixer and a pep assembly. this class also started a traveling football trophy with palo verde. their main interest, however, was the junior prom. although this wasn't scheduled until april 27th, juniors began planning early to make it successful. with an active year behind them, they are looking forward to their senior year.

despite the many rumors which circulate each year around the campus about the inefficiency of the rawhide staff, staff members work many long and hard hours both during and after school to bring the yearbook to the students of rincon high.

open to all interested journalism students, the staff is at first a puzzle to newcomers who are confused by the hustle and bustle of returning veterans. once underway, anyone happening by room a-2, ninth period, sees what appears to be only organized chaos. but it is really the editors and staff hard at work.

there are many tasks which must be completed in the publication of a yearbook, and if time is lost it is soon made up for by the frenzy of the entire staff as one of the many deadlines draws near and must be met.

there are many discouraging moments for all, but they seem to be worth it when the finished book arrives for distribution, closing the work of the staff, but not the many lasting friendships which have been made.

seems there are a lot of people just standing around.

business or private?

oh no! not again!

mr. meyer seems puzzled once again.

this is really posed for the photographer. there were never this many people at work, not at one time ,anyway.

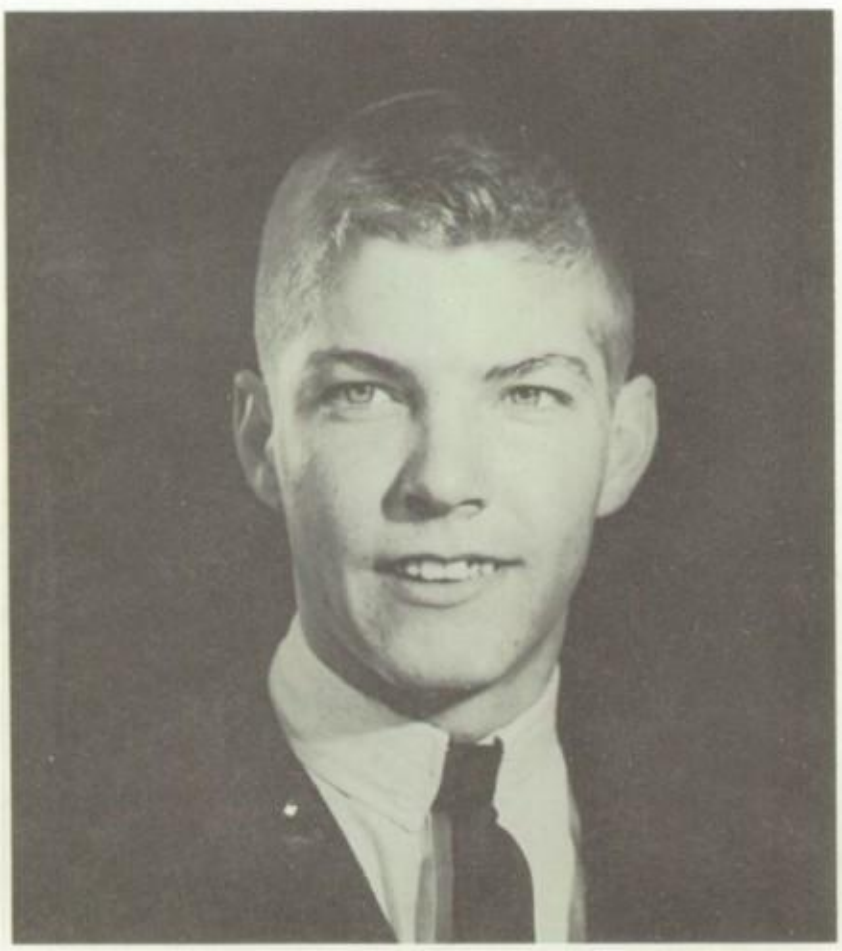
in a last minute flurry, stories are typed, copy reading is done, heads are written and the echo is taken to the print shop. at the print shop, the echo staff reads proofs and makes up its pages, and, then, every other friday, the echo is distributed. the constant meeting of deadlines often leaves the staff hungry (yes, they work after school), tired (yes, they work **late** after school) and prone to mumbling to themselves. still, the staff feels the satisfaction known only to journalism students when they see their work in print.

dorothy kalil
advisor

marty wilson
co editor-in-chief



the finished product — the echo — keeps rangers well informed of school activities. the staff also carries on such campaigns as the one to change the semester testing schedule. besides the news stories, many "standing" features are carried by the echo. interesting and fnnny tidbits of campus life make up the column "trapitos del sol" while the students get a chance to express their views via the "ranger poll." "time out" gives the sports editors an airing of their views, and marty and sumner contributed material for "out of the echo chambers." the echo staff is under the guidance of miss dorothy kalil.

under the direction of mr. northam, photography advisor, and bill greer, photo editor, the photography staff managed what at times seemed the impossible task of doing all the photographic work for both the rincon echo and rawhide. without their full cooperation, which was always ours, these publications could not have been brought to you. we offer our sincere thanks and appreciation to each and every hard working member of this staff.

quill and scroll

quill and scroll, the national honorary for high school journalists, granted rincon its charter in 1959. to join quill and scroll, students have to show their journalistic abilities by having 100 inches of writing in print by the end of the year or otherwise show their interest in journalism.

teen citizen

this year's teen citizen staff, headed by editor dianne roskowski, consisted of senior ann findley, juniors anne harvey and cathy carrithers, and sophomore marilyn ide.

the staff is chosen on their journalistic ability and it is hoped that working on the teen citizen will broaden their talent and encourage them to choose journalism as a career.

the entire staff meets for four hours on saturday mornings to layout the two pages of the teen citizen which appears in wednesday night's tucson daily citizen. the students do all the work for this section themselves under the direction of the regular citizen staff.

national honor society

membership in the purple sage chapter of the national honor society is considered a high scholastic honor at rincon. the object of the chapter is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership and to encourage the development of character in students of rincon high school.

members of the chapter serve as tudors for students who seek additional instruction. they act as honor guards and guides for p.t.a. and 8th grade tours. this year's chapter erected a placque in the library to honor those students who receive and maintain a 1.000 grade average.

anytown

anytown helps teenagers to understand other people and their beliefs. at anytown, there are representatives from the arizona schools and the different faiths. through discussions, these representatives learn about beliefs of others. they also discuss such questions as "who am i?" and "what am i doing here?". they put on student nights and plays. also anytown delegates learned about indian culture.

the rincon american field service club (afs) promotes interest in the foreign exchange program. it supplies information on this program to potential rincon applicants and welcomes the foreign students. the afs club is responsible for raising the money to bring exchange students to rincon. this money is raised by sponsoring the annual faculty vs. senior basketball game, and the selling of "shares." the afs club also holds an afs after-game dance and sponsors the annual assembly introducing the foreign exchange students in the tucson area. because of the outstanding achievements of this club and its sponsor, this yearbook is dedicated to the afs program.

el club rinconete

mr. acosta

mrs. chacon

el club rinconette had over ninety members this year and can be commended on being one of the more active language clubs at rincon. the spanish club, under the advisement of mrs. chacon and mr. acosta helps to promote good relations with our neighbors to the south and other spanish countries. this year the club raised money and bought some equipment for the nogales high schools, which was presented to the high schools on the club's annual trip to the bull fight. this year's members enjoyed the christmas and spring banquets. they also had the honor to be the only independent rincon club to sponser an entry in the rodeo parade in february.

german club

the german club supplements the classroom learning of the language with guest speakers. it hopes to interest students in the culture and people of germany. a picnic was held for the 50 members.

le club fleur-de-lis

meryl weinstein and kathy dart.

the french club was the co-sponsor of rincon's first homecoming. they also brought marc schneeberger, a french boy, to rincon to study. marc was not a part of the afs program; he stayed at rhs for three months. the club went caroling at the local hospitals and entertained speakers on france at their meetings. a box social was also planned and a club dinner was held at the end of the year.

russian club

the russian club has had speakers on the culture of russia to help promote interest in the russian language and culture. they also held a russian dinner. the club is made up of 11 members.

junior classical league

although some people think slavery went out with lincoln, it is still prevalent on the rincon campus. the junior classical league — commonly known as the latin club — holds a slave auction every october and "sells" its new members as part of the initiation. a roman orgy — oops, the word is banquet — is held in april. the latin club is a supplement to the work in the latin classrooms. this year, it worked in connection with the afs club to sell shares.

future nurses club

left to right: karen kamrowski, dede khun, carolyn landreth, and carolyn ball.

the nurse's club is open to students interested in the field of medicine. to help members to understand their field better, they invite speakers to their meetings. many of the members work as volunteer nurses aides. the club provided pages at the nurse's convention and went christmas caroling at pima county hospital. they also made stuffed toys for the children at the county hospital. there are 32 members in the club.

future teachers club

the f.t.a. is made up of students who have expressed a desire to go into one of the various teaching fields. it took part in the tucson visitation day, the state convention, and the officers workshop. members of the club are encouraged to take exploratory teaching — a course which gives them a high school credit for assisting with the teaching of a class. the club co-sponsored a dance after the casa grande football game with the distributive education club of america.

ben franklin printing club

the benjamin franklin printing club furnishes the students of the graphic arts department with a chance to explore the graphic arts fields. it encourages the students to further serve rincon high, and like all clubs, gives students with common interests a chance to get together. it is open to all students in the advanced graphic arts classes and to anyone else who supports the club or class. the club prints most of the programs, posters, tickets, etc., for the drama and music departments and other school activities. club members took two first places, two second places, and three third places at the state fair. the student who contributes the most to the club will have his name engraved on a plate which will be put on a plaque in the classroom.

rangefinders

the photography club, known as the rincon range finders, furthers the interest of its members in photography by inviting professional speakers on the subject. slide shows pointing out good and bad photos have been given. the club also went on several field trips to take pictures. the members of the club received 36 state awards in the kodak-scholastic contest, 13 awards at the state fair and flora gott won a first prize in the national freedom contest. the club has 25 members.

around the table left to right: barbara stubler, susan smith, susie woodruff, andy hopper, jinx darcy, linda merikle, pam lewis, barbie weiner, lexie chatlos, marilyn ide, and jane reeves.

the main undertaking of the girl's league was twirp week, including an all girls assembly, "decked-out day", boys' fashion show, radiogram day and the twirp dance, a holiday cruise. they also sponsored the pep card contest and selling mums at the home-coming game. the membership consists of all rincon rangerettes and this year active members participated in painting the fence around the football field, the lettermen-girl's league panel, the senior fashion show, and donated christmas favors to hospitals and rest homes.

bi-chem-phi club

interested students learn more about science from guest speaker.

the science club, composed of 43 members, promotes interest, extracurricular enjoyment, and stimulation of rincon students interested in science. they have had such speakers as dr. russell nidey who spoke on astronomy and dr. edward wise whose topic was chemical instrumentation. they helped to sponsor the science fair and awarded trophies to the winners. the club also served refreshments at the fair. members attended the national science fair in new mexico. also, they attended the arizona junior academy of science convention.

clef club

music on your mind? it is on the minds of the rincon clef club. the members of this club are the senior members of the band and orchestra. their purpose is to assist in furthering the music program at rincon.

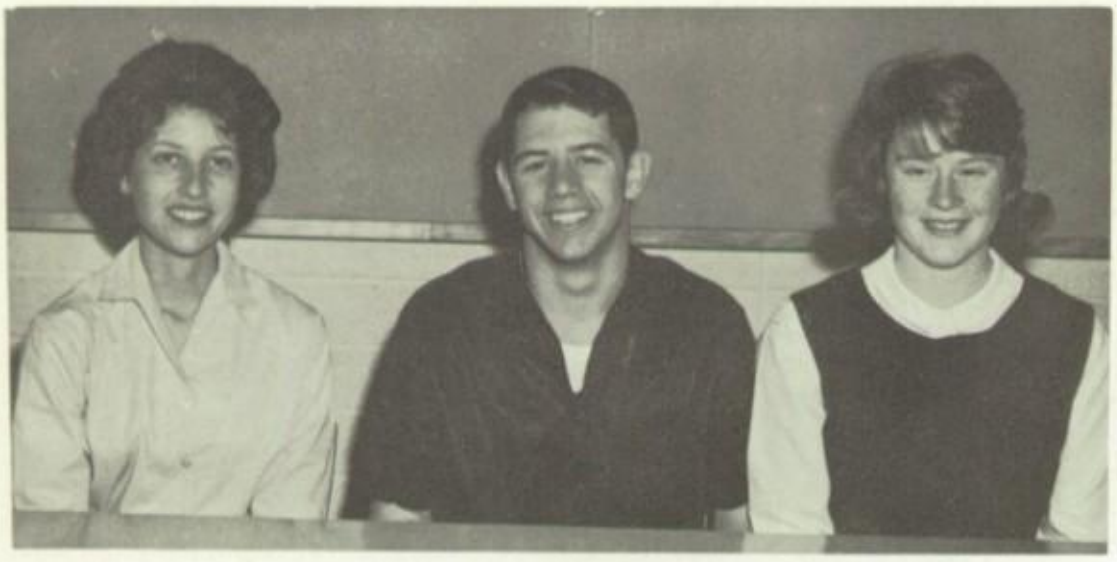
lettermens' club

the lettermens' club deserves the credit for taking the initiative in planning rincon's first homecoming. the proceeds from the homecoming dance went to the student body fund. the club serves the school by engaging in such activities as handing out programs at football games, originating and providing the victory bell with an honor guard, and ushering at all home basketball games. the club holds an annual picnic in may and sponsored the annual rodeo dance. the club is primarily a service club designed to promote sportsmanship and school spirit.

left to right: sumner stone, tom valeski, chuck dent, and doug forte.

human relations club



left to right: susan smith, lynn gage, and sandy cortner.

a club with no memberships? that's the human relations club. this club is open to anyone who wishes to attend the meetings. these meetings are just "get togethers" held once or twice a month, and members discuss world problems. also, guest speakers on human relations are featured. perhaps the most note worthy thing the club has done this year is the human relations assembly held in march. this assembly featured skits, music by the ensemble, and dramatic readings. it stressed brotherhood as a continuous goal not just a one - week - a - year affair. the club also attended anytown meetings in tucson and the national conference of christians and jews in phoenix.

left to right: jim reeves, judie kientz, alan bloom, suzanne kahn, patti tossman, and mary le chandler.

the deca club at rincon has been very active this year. made up of distributive education students, the club sponsored an after game dance in connection with the fta, a fashion show and dance were held at the santa rita. the club also held a bake sale and car wash. gail kennedy was elected state treasurer when the deca club attended the state convention. the club encourages students to continue in the field of retail marketing and management.

junior red cross

the rincon chapter of the american red cross sponsors, among other works, a very successful membership drive. this year student participation was nearly one hundred percent.

the five new members of the council proved to be fine choices by their help in the preparation of the overseas gift chest. two of the council members were chosen to attend the national workshop at riverside, california in july.

the organization owes much of its success to its sponsor, miss hulse.

mrs. higgins' remark brings disdain from henry while col. pickering drops his monocle in surprise.

"i know where i've met you!"

john weaver, president; robin lee, vice president; barbie weiner, secretary; brad fitzgerald, treasurer.

this year the national thespian society, under sponsor jack frakes, presented **pygmalion** by george bernard shaw on march 30, april 2, 3, and 4. the thespian society is a national honorary for drama students. to become a member, a student must have earned ten points by being in plays, working with props or lights, or by serving as an usherette. new members are initiated following each production.

junior class favorites

the junior class favorite for 1963 is **kent morgan.** kent has been on his class advisory board for two years and is now serving as a councilman. he was a member of the freshman and j.v. football and baseball teams, and he played football with the varsity squad this year. kent served as a representative to model legislature in his sophomore year. he is a member of the lettermen's club and is placed 38th in his class.

connie harris was chosen favorite of the junior class for 1963. she was the historian of her sophomore tri-hi-y and represented them as a senator at the model legislature. connie also served on the freshman advisory board. she is still able to maintain a grade average of 1.3636 and stands 30th in her class.

Mary Le Chandler

sophomore class favorites

the sophomore class favorite for 1963 was **cecelia doran.** cecelia served as sophomore class vice-president and secretary of the sophomore tri-hi-y. she is a member of the inter-club council and an officer in the latin club. cecelia enjoys all kinds of sports — especially swimming and mountain climbing. she also finds time to work at tucson medical center as a candy striper.

cleve smith, the sophomore class favorite, was the only sophomore to play on the varsity football team. cleve also played on the freshman track, football, and wrestling teams. still, he maintains a 2.0 grade average. he is a member of the lettermen's club.

freshman class favorites

freshman class favorite **doug hogan** is now on the freshman track team and has played freshman football. sports-minded doug plays basketball for a church league and enjoys reading about sports in his spare time.

susie smith was chosen by the freshman class to be their '63 favorite. susie is a member of girls' league and gaa. last year she was student body president at townsend. susie swims for the central ymca swim team and took first place in the breaststroke in the city. in 1960 and 1961 she placed first in the pima county meet. susie also enjoys water skiing.

top ten

at one time, it was thought that the "brain" was necessarily an "egg-head" — inactive, spending all his time hitting the books. at rincon, we have proved this "law" false. on the following pages, the top ten scholars are shown. these ten people are not only outstanding scholastically, but, each has contributed to the school and community by varied activities. each is known and liked by the student body, teachers, and administration. the rawhide staff also felt that the next 15 scholars deserved recognition, so their names are listed. congratulations from the rawhide staff to each of the 25 students, and thanks to them for making rhs a better school.

in spite of the loss of tom alden, lester birnam, jay may, and lynn hoffpauir, due to injuries, head coach bill lovin, line coach andy rumic, and backfield coach oscar carillo propelled the rincon high school football team to second place in the aa4 division with a 6-4 record.

the team was composed of 17 seniors and 17 juniors, all of whom deserve the upmost credit for fighting so forcibly each week against the various opposing teams they encountered.

special credit goes to doug forte, mike hess and bob rakich for getting 1st team in all city.

the 62-63 rhs team is the most fighting and courageous team the rincon students have yet witnessed in action.

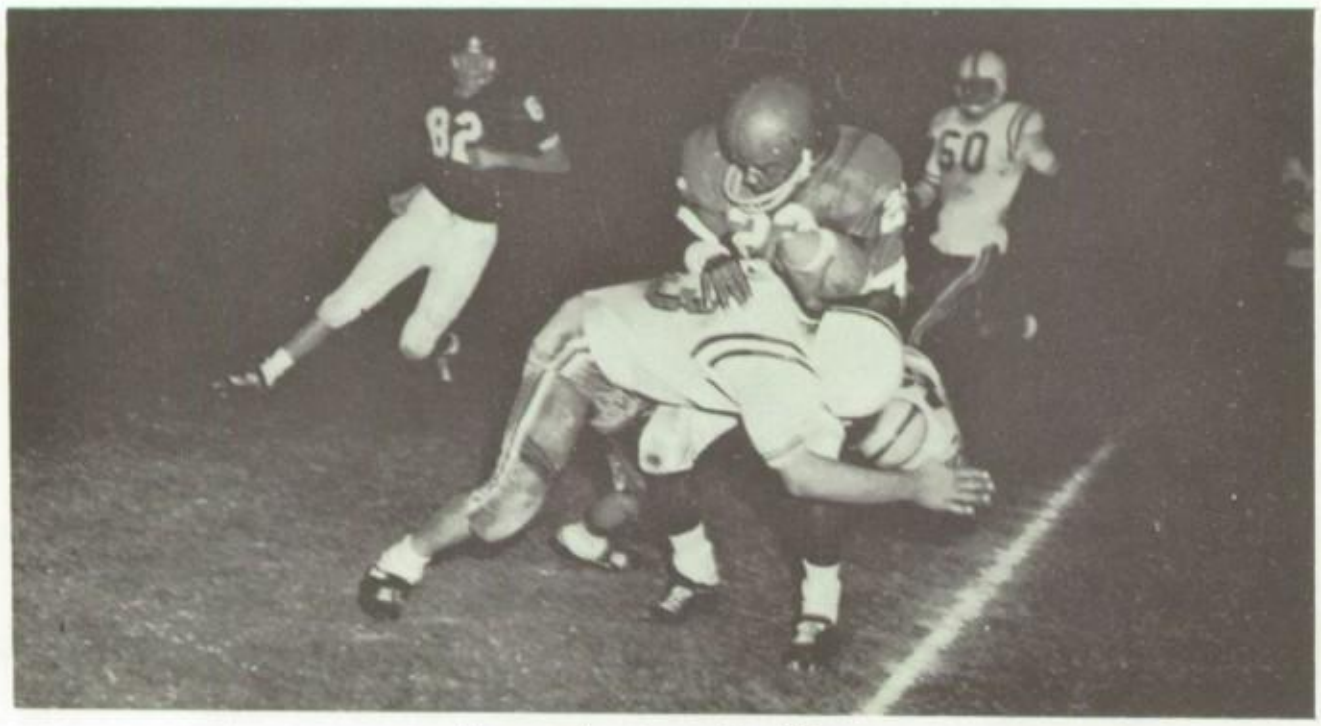
the rincon line, being one of the biggest in the state, showed tremendous ability in the game.

tucson



teasley crushes tucson's williams.

rincon's hopes for first place in the class aa-4 division were dimmed when we were outscored by ths, 21-7. jim and clyde williams carried the scoring for **tucson** and our touchdown was followed through when paul middleton passed 14 yards to lynn hoffpauir. our main handicap was lack of speed.

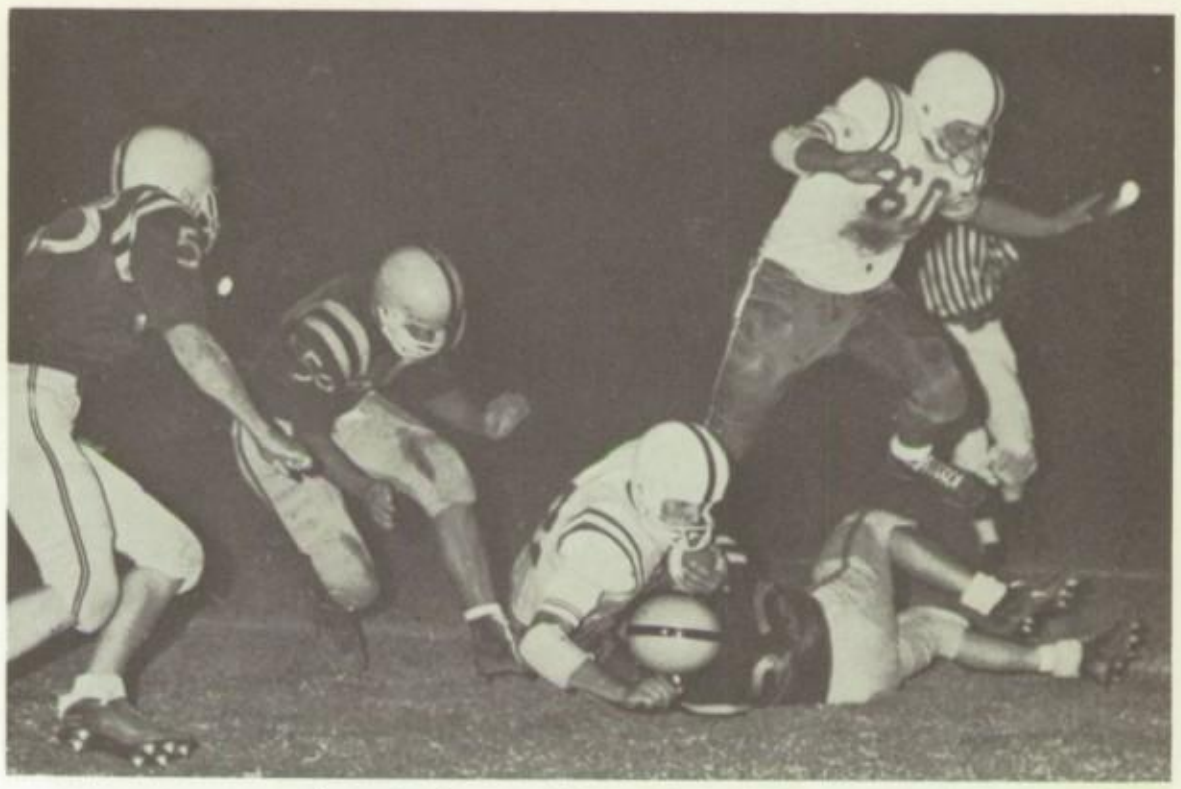
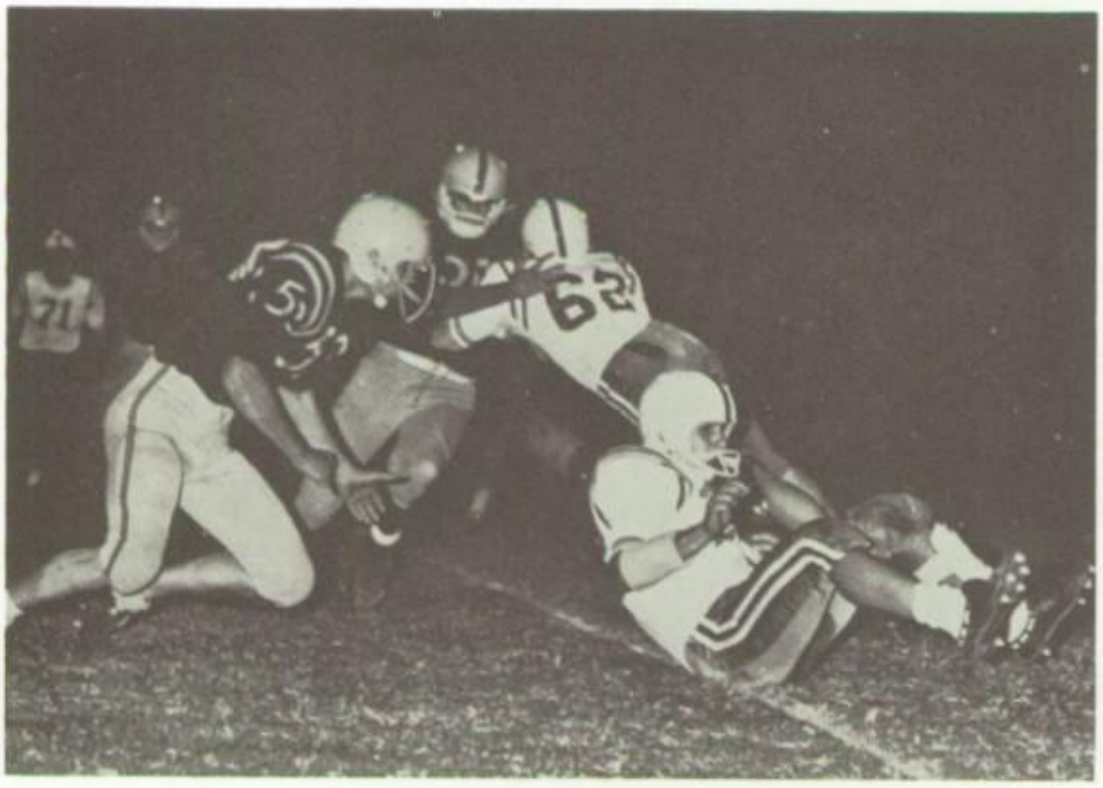
rhs vs salpointe

the homecoming game of the **rangers** vs. **lancers** resulted in a thrilling and moral-boosting win for rincon. as a result of winning the game, rincon was hopeful of at least a 2nd place tie in the aa-4 division. cleve smith scored the winning touchdown on a 32-yard jaunt to close the score 14-7.



webster is dragged down after a long gain.



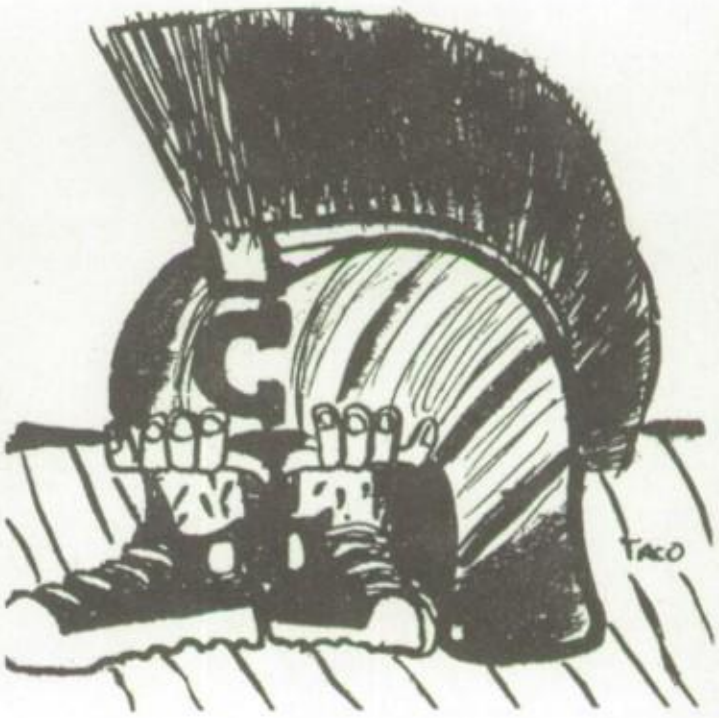
casa grande

in the non-conference game between rincon and casa grande, end bob rakich scored for two touchdowns. casa grande opened the game with a touchdown after 4 minutes of play. the rangers gathered the majority of points for the rest of the game, ending with a 21-12 victory over casa grande.

catalina

in the **rincon-catalina** game, november 9, les birnam, bob rakich, and paul middleton accounted for the rangers' touchdowns. the trojans' don gabriel gathered 225 yards total offense, which helped give the game to catalina, 27-19.

teasley and webster make the tackle as hess and kopec move up to assist.



glendale

in **rincon's** final game of the season the **glendale** cardinals slipped by us, 27-14. the game was the second loss in a row for rincon. the cardinals' maya brothers led their team in the bout against rincon. this game left rangers' season record 6-4.

jayvee

coaches wayne swoveland and jim davis guided the 1962 rincon j.v. gridders to their first undisputed city championship. the little rangers dropped three contests but had the ability to be 'up" for the ones that counted as they dumped tucson high 15-13, the first badger loss in 14 games, and unbeaten salpointe in the last conference game of the season. in the rhs-salpointe contest, the little rangers chalked up 27 points while the rincon defense held the highly-touted lancer attack (averaging over 40 points per game) to only two touchdowns. by the same token, the j.v.'s were capable of playing uninspired ball as witnessed by their two upsets (amphi and douglas). many of these same j.v. footballers will go up to varsity next year to bolster coach lovin's forces.

freshmen

the turnout for rincon's freshman football team was unusually small this year. due to lack of adequate practice, they got off to a slow start and suffered a number of defeats. coach rosbeck stated that the players showed an unusual amount of courage and ability and a definite future promise. both coaches rosbeck and howell agree that the rincon frosh have great potential for continued improvement. all the players received letters for their continued participation.

dick colbert

in the first conference game of the season against ths, the rangers were defeated 43-34. nevertheless, credit goes to our tough offense, especially to mills pace and dave wood who stopped-up the middle. although the badgers won, they had to admit that it was no easy task.

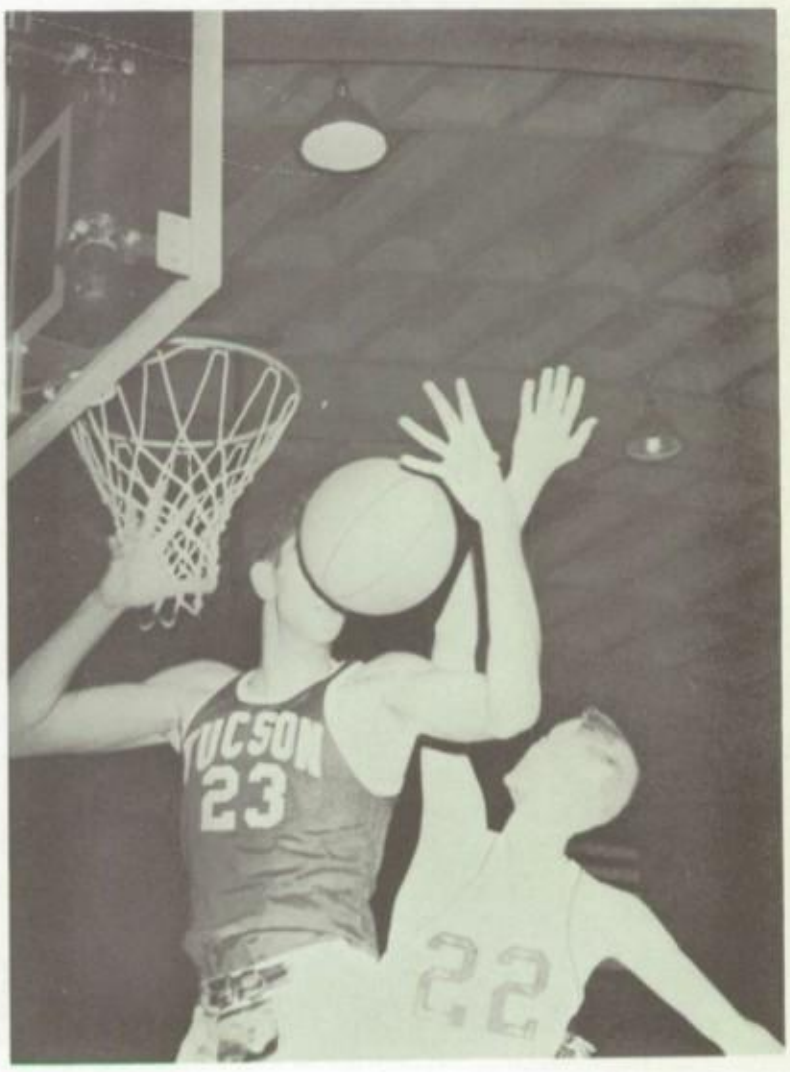
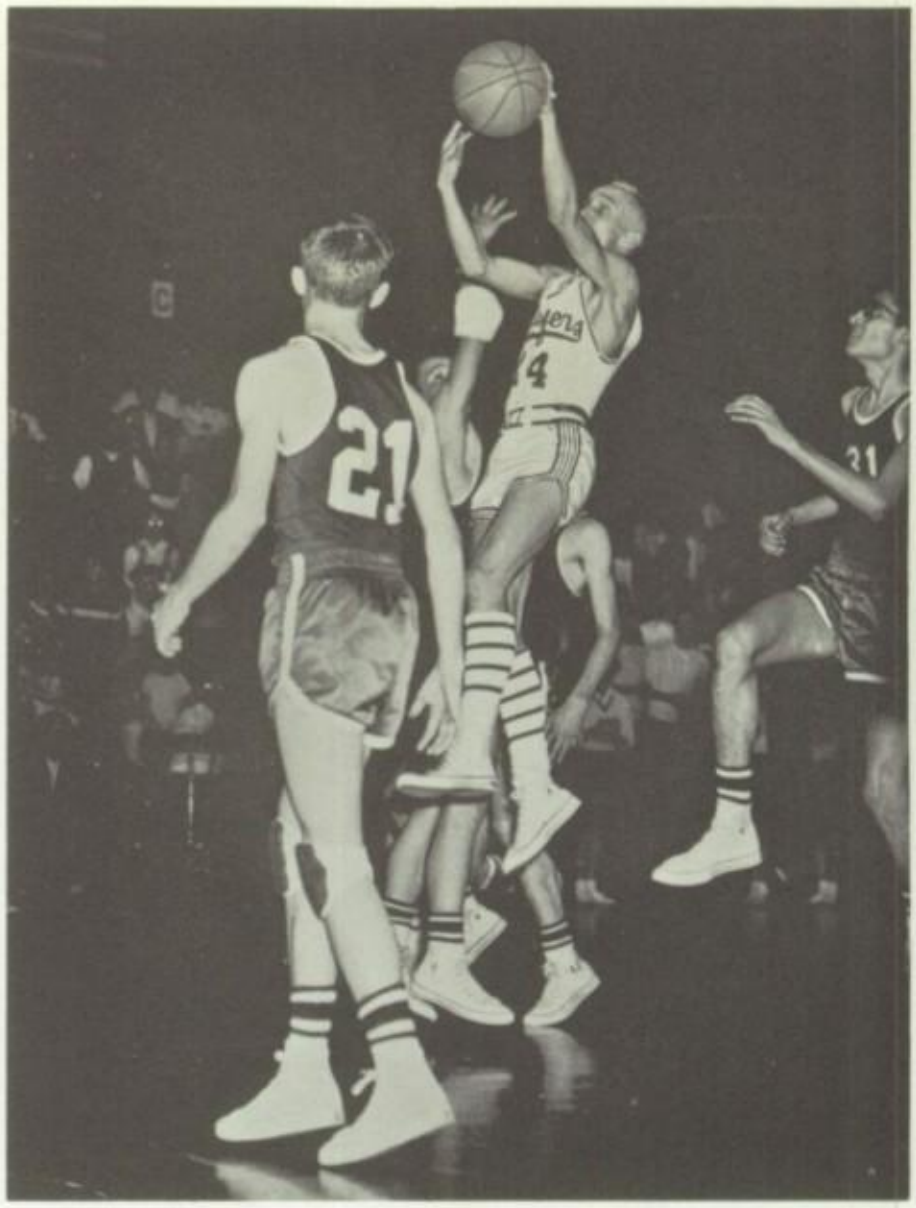
mike cushing



the unbeaten panthers put rincon down with a close win 48-46 in the december 14 conference game. the basket thrown by steve campbell and a free-throw bagged by mike fritzsinger lifted amphi ahead of the rangers. ray dickerson came through with his usual collection of points; this time he scored 11 for rhs.



the meeting of rincon and north phoenix held in rincon's gymnasium resulted in an exhilerating ranger victory. the outcome of the game, 51-44, was especially stunning to north phoenix as it was the first win in four contests between rhs and np. after the quarter when the score was 16-6 rincon's favor, rhs slid to a comparatively easy win.

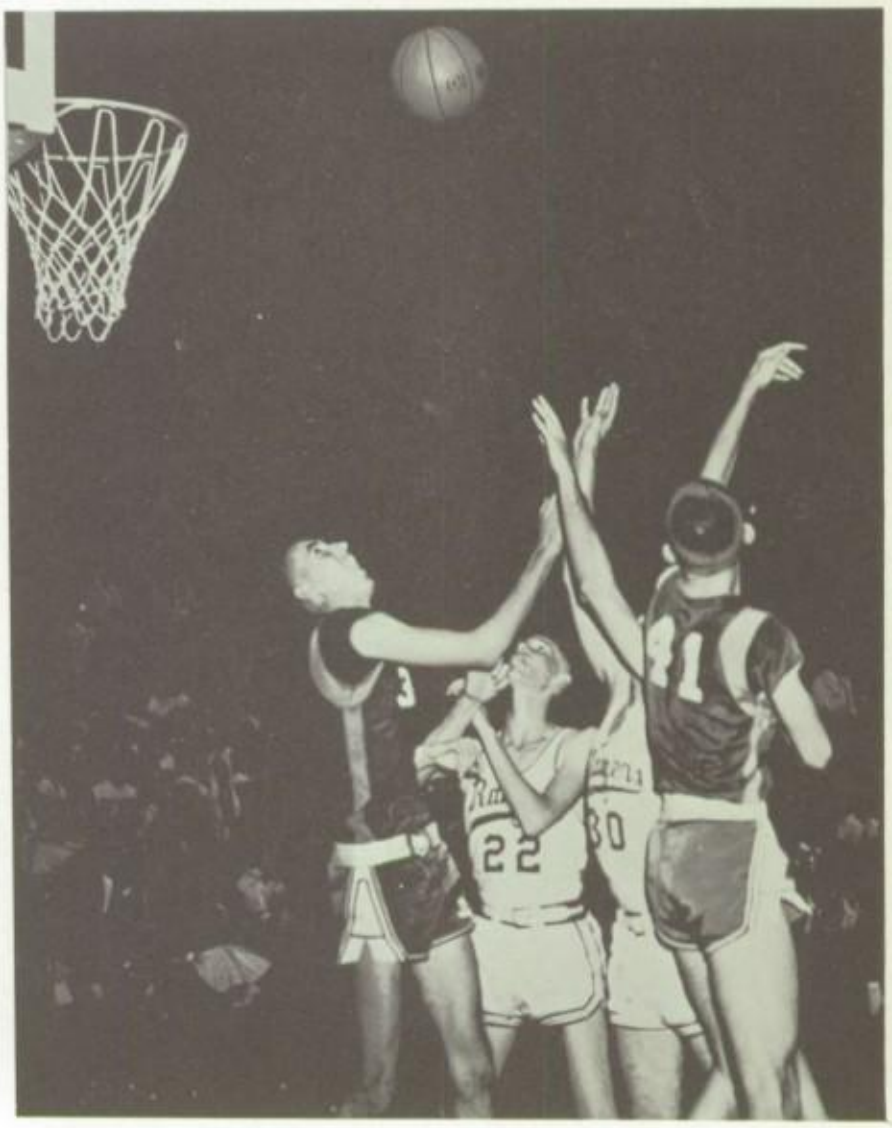
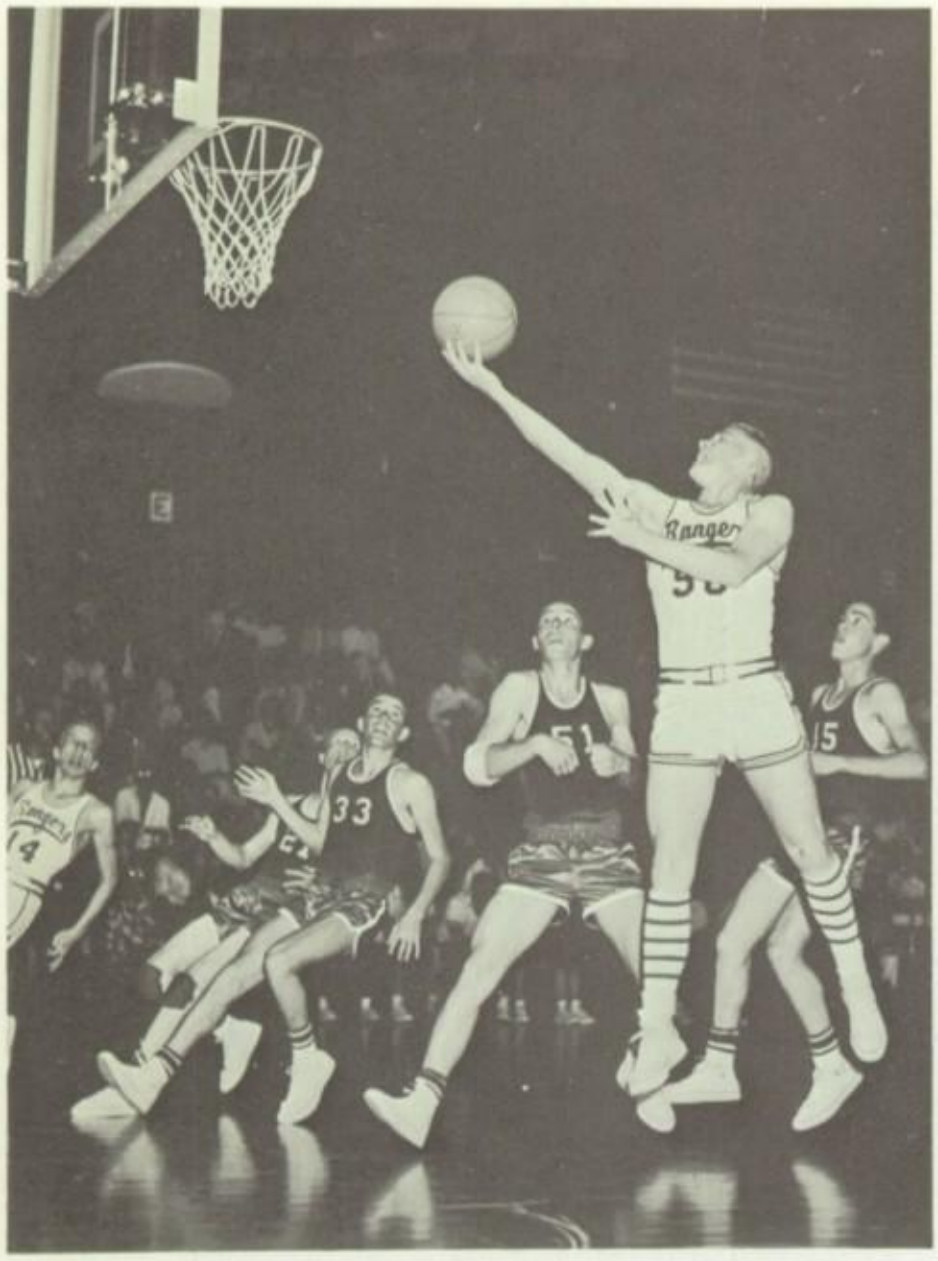
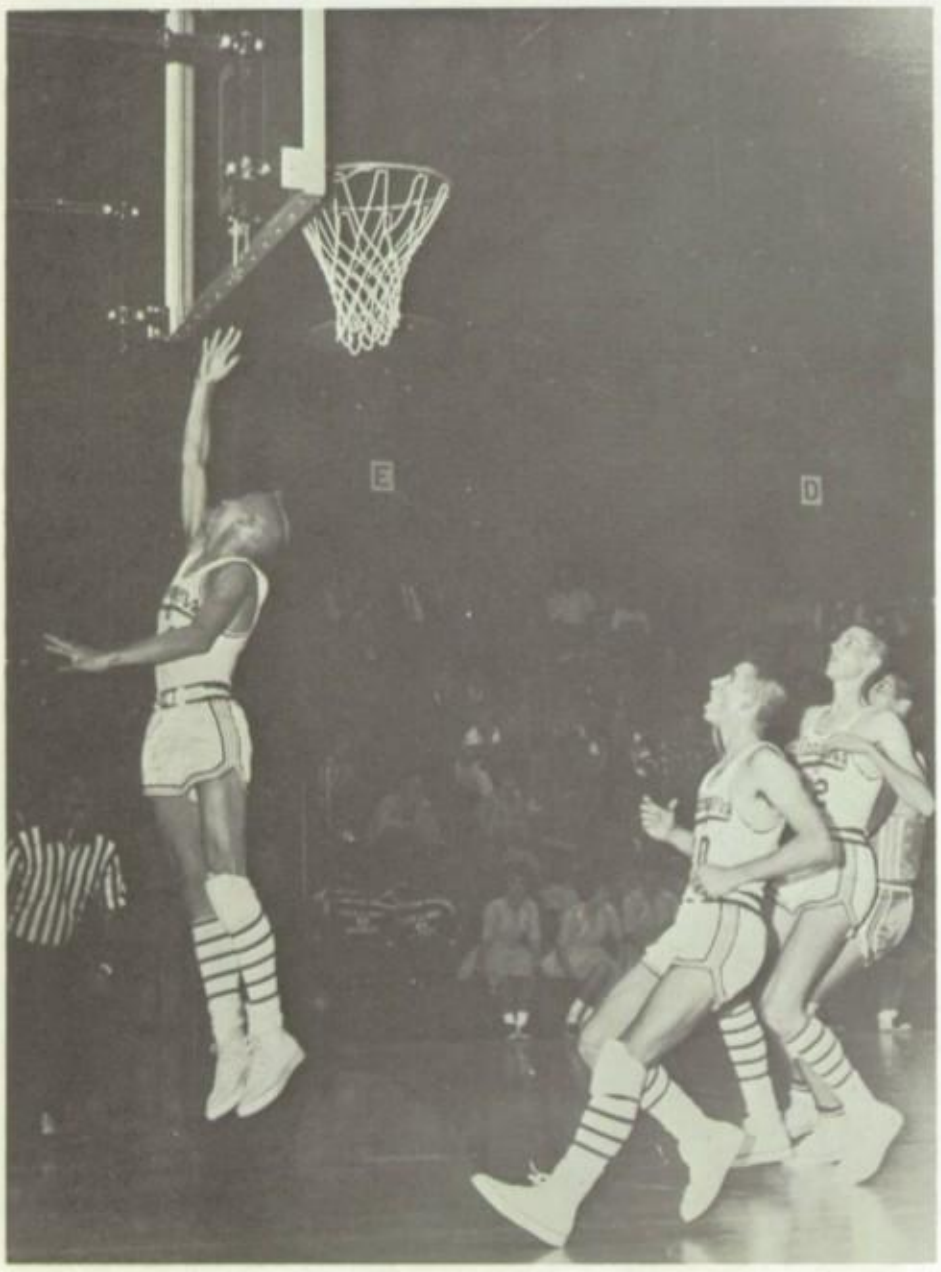
before the outcome of the rincon-amphi bout on january 25, both schools held a conference standing of 4-4. as the final minutes of the game ticked off on the clock, rincon realized with sparked enthusiasm that they had smothered the panthers, broken the conference tie ending up with a clear 5-4 conference record, and remained in the number 3 position in division 4-aa.







rincon's eighth win and pueblo's 15th straight loss was determined in the warrior gym on february 2. the winning score for the rangers was 85, twenty points of which dick colbert contributed. in both the second and fourth quarters, rincon and pueblo scored respectively 25 and 11.

the rhs wrestlers closed their regular season with a 6-5 record. they downed yuma, kofa, glendale, sunnyside, salpointe, palo verde, and benson, while losing hard-fought matches to yuma, catalina, tucson, pueblo, and yuma kofa.

they also took third place in the aa-4 divisional meet, with heavyweight mike hess named outstanding wrestler of the meet. rincon had three city champs, tim o'mara, 112 lbs.; wally slade, 165 lbs.; and mike hess, unlimited.

wally went undefeated until the state finals, when he lost a close 2-1 decision, to make him second in the state. mike also went undefeated to the finals, but became ill at the tourney, and although he won in the first round, he was defeated in the semi-finals and forced to forfeit in the consolation round.

Tom -

We've certainly had a good time together this year. Will we ever forget that great historian Mr. Higbee? Boy wasn't he terrific !!?? Miss Holcombe sure made Health interesting didn't she? (that's not supposed to be funny). Hope to be in some of your classes next year! Have loads of fun this summer and stay the nicest and most considerate boy I've ever known !!

under the leadership of miss pepper, the g. a. a. sponsor, rincon's girls' athletic program has received the distinction of being the best in the nation. autumn finds the girls participating in such sports as field hockey and sweedaway. sports go indoors in the winter as basketball becomes the main interest. spring sees the opening of many exciting sports such as tennis, softball, track and field, and golf.

g. a. a. gives the girls a chance to compete among themselves and with other schools. the yearbook staff feels that this organization deserves more credit for the school spirit and good will it promotes.
